VOL. XLVII. UPLAND, CALIFORNIA, FRIDAY, DECEMBER 5, 1941. NO. 61.

S. A. DAMSITE MAY FORCE ABANDONING OF 26TH ST. WELL

Relocation of the proposed San Antonio flood control dam to a new site at Twenty-sixth street by United States army engineers will create a problem for the City of Upland, inasmuch as this would place the dam directly over the city's well tunnels situated at that point, the city council was informed at its meeting last night by City Manager R. G. Manley.

Army engineers have recently held conferences with Mr. Manley in an effort to find a solution to the well problem. Since there would be considerable cost connected with moving the well and securing water elsewhere, the city sugested that the government construct a tunnel connecting with the present well tunnels, thus bringing the water from the present source out to some point on Twenty-fifth street.

ARMY MAY REJECT PLAN

It was the expressed belief of the engineers that the army board would not approve of the tunnel proposal. However the plan is now receiving the consideration and thorough study of the army men.

Mr. Manley told the council that he had expected to reopen tunneling work in the Twenty-sixth street well tunnels this winter, but in view of present uncertainties which involve the site, he believed the plan to do any further work would be abandonned.

MAY ABANDON WELL

Relocation of the dam at the new proposed site would cover the well, and it would have to be abandoned, unless the tunnel plan to tap it and carry the water to an outlet at Twenty-fifth street could be consummated, Mr. Manley declared.

Another problem created by the revision in plans for the San Antonio dam is the elevation of Upland city water reservoirs. These, Mr. Manley pointed out, would probably have to be relocated in order to maintain their present elevation with respect to their water supply.

Titles To Be Topic Of Cucamonga Club Speaker on Monday

Cucamonga Service club members will put business aside at the regular meeting Monday evening, December 8, and the evening's program will be given over to a talk by Ferris Wilkinson from the Security Title and Trust company of San Bernardino, who, it is expected, will relate some interesting facts about titles and lands.

President Poli Sanchez reminds members of the club's new meeting night and that dinner is to be served at 7:15 p. m. as usual in the club room. The dinner committee has not been selected as yet, but it is reported that the ladies will be in charge of the culinary department again.

Mrs. Lloyd A. Fox of 720 North First avenue has been confined to her bed since Monday with an attack of influenza, but is improving today.

District Meeting Attended by Sons, Auxiliary Members

Several members of Alois Podrasnik camp, Sons of Union Veterans, and the Woman's Auxiliary to the Sons attended a district meeting held Wednesday evening in Inglewood.

Preceding the district meeting, the annual election of officers was held by the Auxiliary's Past Presidents club, Mrs. Ralph Barrett being named president. Members of the local Auxiliary elected to office were Mrs. R. Emerson Gilliland, guide, and Mrs. Sadie Benner, guard.

Attending the meeting from Ontario and Upland were C. W. Jaggard, commander of the Sons; Mrs. R. Emerson Gilliland, president of the Auxiliary; Mr. and Mrs. Oran Burt, Mrs. Dwight F. Gorham, Frank Way, Earl F. Riggs, Mrs. Elizabeth Taylor and Mrs. Sadie Benner.

Upland License Service Is Well Patronized; Cooperation Is Asked

With aplications for 82 operators' licenses, four changes of address and three chauffeurs' licenses, J. H. Pratt, license examiner for the State Department of Motor Vehicles, reported a very busy day on Monday, with 39 applicants served.

Business this week at the newly opened branch of the license bureau showed an increase of nine over the first week when 30 applicants were divided between 24 examinations for licenses and six changes of address.

COOPERATION ASKED

Mr. Pratt asks the cooperation of the public in assisting the service to function adequately. He calls attention to the fact that applicants should be in his office at Upland chamber of commerce before 4 p. m. on Mondays, so that they may be assured of being served.

If people come in just at four or a little after, there is not sufficient time for applications to be filled out and examinations given. During the ofice hours from 9 a. m. to 1 p. m. and from 2 p. m. to 4 p. m., applicants occupy practically all of Mr. Pratt's time. After 4 p. m. a great deal of clerical work and reports must be taken care of in order to assure prompt service to every applicant. Because he does not wish to inconvenience anyone, he asks that people observe the office hours given.

Upland, Mr. Pratt explained, is fortunate to be able to have the service of a license officer, particularly at this time. Due to the fact that so many men in the department have been called into the armed service of the country during past months, the department personnel is one-third smaller than it was a year ago, and replacements have not been made to fill these vacancies.

On the other hand, the business of the department has shown an increase of approximately 150 per cent, due to the great influx of defense workers and military personnel together with a sharp rise in tourist travel throughout the state.

Upland Service Board Offers Unique Comparison of Transportation Costs

Comparison of the costs for transportation of selective service men to army induction headquarters and for the transportation of conscientious objectors to conservation work camps offers an interesting study of contrasts between expense items on the national defense bill.

220 FOR $147

During the past year Upland Selective Board has delivered 220 men, which include its own registrants and a number of transfers from other boards, to induction headquarters in Los Angeles. The transportation cost of sending these 220 men to report for army service has amounted to but $147.

THREE FOR $130

Upland board on Wednesday of this week sent its first group of conscientious objectors, consisting of three men, to report for service at the Cascade Lock, Oregon, conservation camp. Transportation cost for the three men will amount to between $120 and $130. Tickets and meal allowance alone amounted to $93. Added to this will be the cost of Pullman berths on the train, and these, it is estimated, will run approximately $10 apiece.

LARGE BOARD; LARGE RATIO

With the transportation of three men coming within about $15 of the cost of transporting 220 men, the Upland board, boasting one of the largest selective service areas in the country, figures its comparative cost ratio also is one of the country's largest.

Figuring it out on a per man basis, it has cost about $1.26 for every man given transportation by the Upland board. But for men sent for induction into army service it has cost only 75 cents a head, while for men sent to objectors' camp it has cost approximately $40 to $43 each.

Service Board Clears Up Case of Registrant's "Missing" Identity

Like a father who knows his many sons, Upland Selective Service board is a patient, painstaking "parent" when some of its "family" seem to display errant qualities, so that a board such as Upland's seldom has to resort to "big stick" methods in the figurative woodshed.

A case in point was related this week by Eric V. Rhenstrom, clerk of the board, who told of a young man registrant who had apparently dropped out of sight. Ordinarily, such a case calls for drastic action, but in the case of the Upland board it was just another case of the exercise of "fatherly" patience.

MAIL RETURNED

It seems that the young man in question, who will remain anonymous, worked for the railroad in a desert town. To the puzzlement of the local board, notices of every kind mailed to the young man over a period of some five months were repeatedly returned, bearing such notations as "Moved," "Not Here," "Unknown." On the surface of things, it would have appeared to most selective service boards that the registrant in question was giving the board the well-known "go-by."

GETS OPPORTUNITY

As was brought out subsequently, the young man finally received a chance to go to work for the Douglas aircraft company. In completing his application, the matter of his selective service classification was brought up as a prerequisite to employment.

When questioned about it, the young man said he did not know, as he had had no communication from his board since he had registered, and, in fact, he was not quite sure with just what board he was listed. From his statement Douglas officials advised him he was probably registered with either the Redlands or the Upland board, most probably the Redlands board.

SEARCH BEGINS

So yesterday the young man set out for Redlands to clear up his selective service status. But the Redlands board did not have his listing, so officials offered to call the Upland board.

The question over the phone from the Redlands board, "Did the Upland board have such-and-such a named registrant?", brought Mr. Rhenstrom to the alert instantly. He replied that they certainly did, and would Redlands send him over to Upland immediately.

LANDS IN UPLAND

So it was, late yesterday afternoon, that the Upland board's "prodigal son" returned. Through explanation, it developed that the young man all the time had been living at the desert address to which all his mail had been sent from the Upland board, but that for some unknown reason or other whoever had received his mail did not know of his presence there and had returned it all with misleading notations.

Since full information is lacking in many isolated communities, the young man had not known of selective service requirements, particularly since none of his board notices had ever reached him, due to the failure of someone else to be informed even about local residents, who are usually hard to miss in such far-flung communities.

COMPLETE RECORDS

As a result, the registrant had no questionnaires, no examinations and no classification, through no fault of his own, and which without knowledge of the facts, placed him in a decidedly doubtful category with the local board. But it was all cleared up in an extra heavy session with Mr. Rhenstrom

(Continued on Page Eight)

UPLAND COMPANY TO BE MUSTERED IN ON WEDNESDAY

All men of Upland State Guard Provisional company are requested by Merle Rash to report at the packing house next Tuesday evening. At this time the final rehearsal will be held for the mustering in ceremony which is to take place next Wednesday evening, December 10.

Culminating ten weeks of organization activity, the Upland guard outfit will be commissioned just in time to become one of the companies of San Bernardino county to participate in the commissioning of the Eleventh regiment which is to take place the following Sunday, December 14.

"But the Upland company's own mustering ceremony must be whipped into shape without delay," Mr. Rash declared." Every man should be present so as to know his position for the following evening, when state and local officers will be present to receive the Upland company as an active unit," he said.

"A cordial invitation is extended to everyone to attend the mustering in ceremony of the Upland company next Wednesday evening," Mr. Rash said, "It will be held where the company drills regularly, in the Upland Lemon Growers packing house on Sultana avenue just south of the Santa Fe tracks."

WANT KEEPER FOR PRIORITY NUMBER

The vagaries of priority number use was explained briefly to the city council last night by City Manager R. G. Manley, who related many of the complications connected with trying to keep the matter straight in conformance with the many charges which keep coming along.

At present, he explained the city has a priority number which it can use without restriction for the street department, the police department and the fire department. But the number cannot be used for anything in connection with the city parks.

The city has another priority number for utilities, Mr. Manley said, which is for water and electrical needs. This number, however, limits the city to the purchase of pipe and supplies for replacements, but cannot be used to secure materials for large capital improvements.

In connection with this, each order must bear the priority number and the city must keep a perfect inventory. If there is any slip-up in the use of this number, it can be taken away or a fine can be imposed.

Authorities have requested that this number not be used unless it is absolutely necessary. They advise that the city should order such supplies in the regular manner, and only use the priority number if the supplies cannot be obtained any other way.

Complications and niceties imposed by the priority system have led authorities to ask that each city appoint someone to have charge of giving out priority numbers for orders. A decision in the matter will be made by the council when it meets in adjourned session next Monday evening.

CHAFFEY BUILDING VALUE $1,215,400

Evaluation of buildings and contents for fire insurance were made by the Chaffey board of education this week. Total building valuation was set at $1,215,400, total contents $263,050. Insurable value of the whole, 10 per cent less than total evaluation, is $1,330,605. This evaluation is an increase of more than $102,285.00. The change in figures is due to the completion of the aeronautics annex, and the mechanic arts buildings, and the increased valuation of the property.

$52 in Purse Is Lost, Returned All in Few Hours

It is not every day a man makes a call from a public phone booth and then has the telephone company return $52 to him. But that happened one day this week to L. S. Ramer, Upland, who is employed by the Stone & Webster Engineering corporation.

It is not every day either that young men are found as honest as the one whose name is unknown but who turned in the purse to the telephone office when he found it in the booth, so that it could be returned intact to Mr. Ramer. But it did happen, and Mr. Ramer is very appreciative for the kindness of his unknown benefactor.

CHAFFEY ORCHESTRA IN CONCERT SOON

Annual Christmas concert of the Chaffey symphony orchestra has been announced by director Ralph Streano for Dec. 18, at 8 p. m., in the civic auditorium. Soloist will be Harold Wadsworth, senior member of the organization. Eighty-three members of the orchestra will take part in the program, to which the public and students are invited without admission charge.

Harold Wadsworth will play the well known concerto No. 3, in C Minor, op 37, by Beethoven.

Popular Kreisler numbers, Liebesleid and Caprice Viennois, will also be included in the program with famous "Petite Suite de Concert" by Coleridge-Taylor. Mendelssohn's "Overture to Ruy Blas" will open the concert.

Members of the symphony orchestra include: Violin—Miss Jean Scott, Thomas Fifield, Ethel Jean Wilson, Barbara Palmer, Dorothy Hall; viola—Miriam Settle, Lois Foote; cello—Frederick Donnelly, Eleanor Farmer; flute—Lola Ray; French horn—Richard Meredith, Autumn Mauck; trombone—Louise Hook; percussion—James Paulin, Donald Naillon; piano—Dorothy Langley.

Red Cross Donation Suggested as Ideal Christmastide Gift

Although the active drive for Red Cross funds was concluded several days ago, still a few contributions continue to be received, it was announced today by H. M. Guy, who served as chairman of the roll call.

Need for additional funds still is acute, with demands upon the Red Cross increasing from day to day.

Since this is the season of unselfish giving, it is suggested that no better Christmas gift could be made than a donation to the world's greatest agent of mercy.

Donations to the local chapter are being accepted at the two Upland banks.

Upland Heights To Hold Annual Meeting

Members of the Upland Heights Orange association will meet in the Euclid avenue packing house tomorow morning for their annual meeting. Election of directors will be among the business handled.

R. O. Price is association president.

OFFICER'S HUNCH LANDS CAR THIEF

Officer Ralph Palmer's hunch last night landed a car thief and his stolen car on Foothill boulevard about 1:30 a. m., when he and Officer M. L. Leaman on patrol came upon a motorist stalled on the highway and out of gas.

The man, Toney Chavez, Selma, could not give a satisfactory account of his possession of the car so he was brought to the police station where a checkup revealed that he was wanted for theft of the car in Madera, and that he was driving the machine with license plates stolen from another car in Fowler.

With Chavez at the time of his arrest was Margaro Banales, Pomona, who police said was not implicated in the car theft, he having just met Chavez last evening. Chavez is being held by Upland police for Madera authorities.

EXPECT HOUSING CONSTRUCTION TO BEGIN IN 30 DAYS

Fifty-one weeks, almost to the day, from December 10, 1940, when Upland Housing Authority received the telegram informing it of a nearly $500,000 earmarking of federal funds for a housing project here, the board of the local authority met on Tuesday afternoon and voted to award the contract for construction of its three projejcts to the William C. Crowell company of Pasadena.

The Crowell bid of $381,720 has now been accepted, subject, of course, to final approval by the United State Housing Authority. Signing of the contract is anticipated very shortly and it is expected that construction will commence within the next 30 days.

SAVED $20,000

Delay in the working schedule of the authority, occasioned by the necessity of having to change plans and specifications over from masonry to wood construction, worked a saving of some $20,000 for the authority it was informed by Mr. Crowell. From the time the authority architects began refiguring their specifications to the time the bids were submitted, wood prices dropped that much on the project requirements he said.

Further savings in the bid price are to be effected through changing to the use of stucco exterior siding in place of redwood siding which had been specified. This and other adjustments in costs were arrived at in a meeting in San Francisco recently between Otto S. Roen, managing director of the authority; Armand Monaco, architect; William C. Crowell, the contractor; and Langdon W. Post, regional director of USHA.

Alan A. Couch, new housing commissioner, succeeding Ray C. Norton, was present for the first time at the Tuesday meeting of the housing board.

INTERNAL UNITY, SPEAKER'S PLEA

Powerful nations have fallen, not because of outside pressure but because of internal weakness, declared the Rev. Paul Goodwin in a forceful address at yesterday's meeting of the Upland Lions club.

"Will Democracies Become Unglued?" was the question on which he based his discussion. Nations throughout the centures have become "unglued" because of lack of unity among the people, Rev. Goodwin said, citing historical instances for his thought-provoking address. He brought his illustrations of weakness down to modern times and compared the strong unity among the German people and soldiers with the condition that resulted in France's downfall.

He appealed for a strong, active citizenry united for the common interests of the nation.

Program chairman was Harold W. Cook, with President Leigh Thompson presiding.

C. K. Francisco in His Own Business

After nearly 30 years as an employe of the Stewart Citrus association, C. K. Francisco has gone into business of his own. He has purchased the "Smoke Shop", 175 North Second avenue from L. O. McNeil.

Mr. Francisco was one of the Stewart association's most veteran employes. When the association recently sold its packing house Mr. Francisco made plans to enter his own business. He has been very active in the community, having served as councilman and mayor for the city in former years.

Stores Invite Uplanders To Yule Entertainment

GRAND CHRISTMAS OPENING PLANNED TOMORROW NIGHT

Upland merchants' grand opening, postponed by rain Wednesday evening, will go on as scheduled tomorrow evening, with the entertainment little changed from that originally planned.

Appearing in a 45-minute program, 40 singers from Chaffey jjunior college will sing familiar Christmas carols and music. The singers will be directed by Gilmore Erickson, Chaffey music instructor.

Also on the program is a trumpet trio. They are: Janet Walkinshaw, Charles Newton and Richard Clark.

"Upland is fortunate to still be able to secure the group for Saturday night," Owen Atwood said. "The business men deeply appreciate the cooperation of Superintendent Gardiner W. Spring and the students themselves in making the occasion possible," Mr. Atwood added.

As scheduled previously, the entertainment will begin at 7 p.m., and will take place on a platform in front of Colborn's electric shop, which is providing sound amplification, so that the music may be heard throughout the entire business district.

All Upland and surrounding countryside is invited to the merchants' opening party and to enjoy the musical program to be provided by the district's own Chaffey talent.

One-Alarm Month Is Reported for Fire Department

Report of Upland fire department for November, submitted to the city council last night by Fire Chief J. W. Voth, listed only one alarm answered during the month.

Routine business of the department accounted for two fire drills held; 23 inspections made; five trash burning after 10 a. m.; 1 burning in gutter, and four fire permits issued.

CITY'S SOLVENCY SHOWS UP WELL

The November report of City Manager R. G. Manley, presented to the city council last night, revealed business as usual in all city departments.

Receipts for month showed a total of $1,337.69. Principal items included in this accounting were:

Associated Telephone company franchise tax, $932.98; sewer connections, $50; building permits, $24; plumbing permits, $3; wiring permits, $3.25, and garbage collections, $262.30.

Water department figures showed that 2,204,048 cubic feet of water were consumed during the month. Receipts from this source showed $4,261.86 in general water payments; $339.37 for miscellaneous payments, and $136.75 for water used by the City of Upland.

Bank balance for the city at the end of November was given as $93,348.62.

The bond o fthe new city clerk, R. C. Norton, in the amount of $500, was submitted for approval and was accepted by the council.

Transfer of $20,000 from the city's general fund to the capital investment fund to meet depreciation and replacement of city equipment was asked of the council by Mr. Manley. A motion granting the transfer was passed.

METER TRANSFERS

An expression of its opinion on the policy of moving water meters and charges connected therewith was requested of the council by Mr. Manley. The matter was discussed briefly, with a majority of the council inclining to a broad interpretation and consideration of each case on its own merits. As a result, a motion by a 3-2 vote of the council was carried to grant a change of water meter to a resident on the basis of payment for the cost of transfer.

EQUIPMENT RENTAL

Clarification of the council's policy on the matter of the rental of city equipment also was asked by Mr. Manley. He explained that such equipment is rented to the state for use on highways and to various others, but it is not the desire of the city to compete with private firms doing the same work.

Nevertheless, the city has a good deal of investment tied up in equipment, Mr. Manley said, and expressed the opinion that the city should derive some return on it.

Specifically, he mentioned the spreading outfit, with reference to its rental to W. C. Cline, who in the past has rented such equipment from another town. The council signified that it was agreeable to renting this equipment, with the proviso, however, that it be operated by city employes.

City Court Reports $1,142.50 in Fines

Fines for the month of November collected by Upland city court amounted to $1,142.50, according to the monthly report of Judge Mildred R. Puckett, which was presented to the city couicil last night.

Cases which appeared before Judge Puckett during the month included: 80 for speeding; 10 for driving while intoxicated; 29 for failure to observe "stop"; six for reckless driving; three for intoxication, and one for disturbing the peace.

Tigerts Serve Venison Dinner, Show Trip Films

Mr. and Mrs. Clyde Tigert, Vista drive, San Antonio Heights, for several years, have gone to northern California for deer hunting in the Feather river country, and both have been successful hunters.

This year they were accompanied by Mr. and Mrs. Roy Boles of Ontario and Mr. and Mrs. Clarence Lydick of San Antonio Heights.

On Tuesday evening this week, 76 neighbors and friends were invited by Mr. and Mrs. Tigert to have a venison dinner with them, and the guests brought the rest of an abundant repast.

To provide accommodations for the occasion, Mr. and Mrs. Abe Kisner gave the use of the dining room at their Mont Vista resort. Following dinner, the Tigerts showed motion pictures of some of their many interesting trips to the Grand canyon, Bryce canyon and Zion and Yellowstone parks. Guests were very appreciative of a very delightful evening provided by Mr. and Mrs. Tigert.

Army Convoy Moves Through Here Today

Upland residents along Foothill boulevard this morning saw the army go by, when a convoy of 125 army trucks and cars passed westward through town. Under special convoy by the California highway patrol, the various groups were about two hours in passing through town, it was reported.

The contingent was believed to have originated at Camp Haan, but its destination or mission was not divulged.

Councils Continue Sewage Overtures

Looking toward solution of the Upland-Ontario sewage disposal problem, Upland city council at its meeting last night passed a resolution recommending that a letter from the Upland council be directed to the Ontario council.

The sewage problem was discussed by the council at some length, and the hope was expressed that the two councils might arrive at an amicable settlement of the matter.

The Upland News

Established in 1894

Published every Tuesday and Friday afternoons at 170 North Second Avenue, Upland, California. Telephone 311-06. Entered at the Upland post office as second class mail matter. Annual subscription is $2.50; single copies, five cents.

Vernon V. Paine.....Editor

Upland has a population of 6,316 (1940 census). It is located on Foothill Boulevard in San Bernardino County; 34 miles east of Los Angeles and 20 miles west of the city of San Bernardino.

TODAY'S BIBLE VERSE

We love, because He first loved us.—1 John 4:19.

Japan Can Have Peace Or War With U. S.

From many indications it appears that war soon may start between the United States and Japan. Apparently this nation is nearing the end of its patience in seeking to obtain an accord with Japan.

While this country, with exceptional generosity, has agreed to relax its trade restrictions against Japan and offer her access to all materials she seeks—if she will abandon her headlong course of militarism—Japan demands the right to have her cake and eat it, too.

For at least 10 years, an effort has been made to appease Japan in the hope of winning her away from the path of conquest. We have given here the benefit of the doubt, and supplied her with the sinews of war on the chance we could induce her to alter her tactics and seek peace.

President Roosevelt has decided that firmness is now in order. No doubt a large majority of the people concur in that decision. Japan, under the control of the military class, can modify its aggressive policy, or it can face American forces.

Who Won the Coal Strike?

The coal mine strikers are back at work.

In the week they were off, men in the captive mines lost $1,510,000 in wages and the commercial mine strikers lost $2,747,000. Production losses in the Pittsburgh area totaled 14,000 tons of steel ingots, 12,000 tons of pig-iron, 12,000 tons of by-product coke and 20,000 tons of "bee-hive" coke. The Carnegie-Illinois steel mills, which shut down 11 blast furnaces, estimated loss of 30,000 tons of steels. In Fayette county, where gunfire sounded, pickets returning to work complained that "the settlement didn't win us anything".

Strikers lost wages; steel and coal companies lost production, national defense lost precious materials and more precious time. The only winners were the inevitable winners of every defense industry strike America has had or can have: Adolph Hitler and the cause of Nazi world conquest. They cashed in on every trick played.

Taxpayers Wondering Why They Should Pay Too Much to State

People in this community and throughout California are paying more taxes to the state than are needed. One estimate places the surplus at 100 million dollars by June 30, 1942.

While it is good business to maintain a safe reserve, it is a wasteful policy for a public agency to collect more than it actually needs.

Governor Culbert Olson is being asked by legislators and other citizens throughout the state to call a special session of the legislature to reduce taxes. So far, the chief executive has turned a deaf ear to the pleas.

One political observer forecasts that unless the governor reduces taxes he will meet his downfall at the 1942 election.

In the minds of the taxpayers there is the question: Why should the state collect more money than it actually needs?

Mrs. Earl Johnson Serves Community In Many Capacities

Mrs. Earl H. Johnson gives freely of her time and talents in many organizations. We are thinking right now of the Upland Lions club. She has served for years as pianist at the club meetings, being there regularly year in and year out.

Now that the Lions have a member who is an accomplished pianist, Mrs. Johnson has retired as a "Lioness". This is just a note to recognize her fine services for the club—and for the community.

Champ Loses Belt To Upland Police After Hunt Chase

Billy Vargo, 5406 Lexington avenue, Hollywood, is a world's light heavyweight champion, having won his belt at the Hollywood Stadium last Monday night, but Upland police wrestled him to a standstill and took his belt away from him in two rounds Wednesday night, with the result that young Vargo is dated to meet both of Upland's judges.

With two companions, John Hallinan, 2610 Scott avenue, and Earl P. Hallinan, 111½ North Coronado avenue, both of Los Angeles, Vargo was hunting rabbits by spotlight in orange groves within Upland city limits. Notified of the activity, Upland radio patrol officers, Darwin Brest and Ralph Palmer, located the hunters, who took out in their car to show the police some dust.

But the chase wound up with the police tagging Vargo in the grove district doing 80 miles in a 55-mile zone.

DOUBLE TROUBLE

Since the hunting took place within the city limits and the arrest for speeding was made in county territory, Vargo and his friends have a full slate of charges. They must appear before City Judge Mildred R. Puckett on a charge of shooting firearms within the city limits, and Vargo is signed to meet Township Judge Fred H. Jacobs on December 12 to settle the speeding charge.

Irony of the situation was that Vargo lost his recently-won light heavyweight championship belt to Upland police, temporarily. The belt, which he had with him, he had to leave as security with the police while he and his companions returned to Los Angeles to raise bail money.

Bert: "What did the Delaware Punch say to the Coca Cola when they heard a knock at the door?"

CLASSIC

CLASSIC SPORTS CLOTHES are preferred by many smart women. Chic Julie Bannon, CBS "Lux Radio Theatre" player, chooses for street wear a softly tailored two-piece sports dress in sand colored rabbit hair wool with yoke and banding of tan bark and heart beat red. Her snap brim felt hat and accessories of tan bark tie the tri-colored ensemble together. (From Broadway-Hollywood)

COLLEGE HEIGHTS

Mrs. Arthur N. Munger's piano pupils gave a very interesting recital Tuesday evening at her home on North Central avenue. There were about 50 parents and friends present to enjoy this musical treat. Participating in the recital were Bette Anne Jellison, Dick Jones, Robert Hackley, Marian McLellan, Lewis Hackley, Ruth Stickney, Lola May Tweed, Carrol McLellan, Norman Fleming, Joyce Maree Boyd, Georgia Lee Bunker, Joanne Morgensen, Beverly Fisk, Donald Jellison, Frances Elaine Sharon, Mary Ellen Pierce, Rilla Stickney and Lavonne McLellan.

Mrs. Munger was assisted by Beryl Slather, young violinist, and Barbara Jean Stout, young clarinetist of Ontario, who played several selections.

The regular College Heights community prayer meeting met at the W. C. Clewett home on Tuesday evening with Mrs. Howard Clewett as leader.

Professor and Mrs. A. C. Rice of Sioux Falls, South Dakota, were guests of Dr. and Mrs. James V. Latimer for several days this week. Prof. Rice was a member of the Sioux Falls college at the same time as Dr. Latimer. He is also a former missionary to Burma. Prof. and Mrs. Rice are traveling by motor with a house-trailer and have visited many points of interest in the western states. They are now on their way to Washington where they will visit their two sons.

Two Cal-Aero boys, John Kidd, whose home is in Sioux Falls, and Marshall Thedford of Tiler, Texas, were dinner guests of Dr. and Mrs. Latimer on Sunday.

Mr. and Mrs. Clyde Newberry of Burbank were dinner guests of Mr. and Mrs. Clay Moore, 375 N. Hervey ave. on Sunday.

Mr. and Mrs. Merl Kough and sons, Kent, Walter, Byron and Harold motored to Newport beach on Sunday.

Dr. and Mrs. F. J. White spent Monday and Tuesday in Whittier with their daughter and her family, Mr. and Mrs. Chittum.

The College Heights Neighborhood club met at the home of Mrs. Lester O'Neal, 358 North Central avenue on Wednesday, for a social afternoon. At the close of the afternoon Mrs. O'Neal served dainty refreshments to Mrs. Mary Lehigh, Mrs. W. J. Jaschke, Mrs. J. E. Cuthbertson, Mrs. Sam Jones, Mrs. George Foote, Mrs. Clay Moore, Mrs. Merl Kough, Harold Kough and Sylvia O'Neal.

Mr. and Mrs. W. C. Clewett announce that the third annual College heights community Christmas party will be held at their home 1841 West Arrow highway Thursday evening, Dec. 11, at 7:30. Everyone in the community is cordially invited to come and be prepared to enjoy an evening singing Christmas carols.

$25.00 REWARD

Will be paid by the manufacturer for any Corn or Callous GREAT CHRISTOPHER POSITIVE CORN SALVE cannot remove 35c at Mac the Medicine Man, Inc.

TIME PASSES

(News items from the files of The Upland News)

14 Years Ago

F. H. Manker, president of the Arrow highway association, is completing arrangements for a monster Arrow highway meeting to be held here early in January to celebrate the completion of the highway from San Bernardino through Upland to Los Angeles.

During the meeting of the city council held last night the councilmen opened bids for the new sprinkling system on Euclid avenue between A and Twelfth streets. The several bids range from $7,360 to $8,974.

Mrs. S. M. Jessup and Mrs. Una R. Winter went to Los Angeles yesterday and attended a meeting of the Los Angeles Business and Professional Women's club held in the Pig 'n Whistle.

Miss Edith Hanson left today for Oakland to resume her duties as secretary at the International Institute.

Chas. V. Barr was named president of the Upland Rotary club during the meeting held Tuesday. Mr. Barr will succeed T. R. Woodbridge, who resigned last week because of ill health.

G. A. Brest was elected chief of the Upland fire department during the annual meeting held in the fire hall. Others elected are Robert Klindt, assistant chief; I. J. Linkey, president; Chas. O. Deverts, secretary; Clyde Duncan, treasurer; Hubert Manker, financial secretary; Wm. C. Cline, E. C. Mehl and C. K. Francisco, trustees.

Mrs. A. L. Palis was elected president of Mary Brainard tent, Daughters of Union Veterans, during the annual meeting held in the Upland Odd Fellows hall. Mrs. Palis will succeed Mrs. Sadie Benner.

10 Years Ago

To the Upland Woman's club goes the $15 prize offered by Mrs. Bess K. Grisham to the organization securing the greatest number of Red Cross members during the roll call.

Used for many years as a center of community gatherings, the bandstand in the small park on D street and Second avenue, is doomed. Death by removal was ordered at the city council meeting last night. The city will use part of the material in repair work and the remainder will be distributed among the needy for firewood.

Relief efforts of all the organizations in the city will be centered as one unit in seeing that no family in the Upland district goes hungry. At a meeting held yesterday in the Legion club house it is planned to name a general coordinating committee.

With attorneys untangling the legal knots caused by the church having been incorporated under two names, the congregation of the Presbyterian church is preparing to start erection of a manse. The home for the church pastor will be built just north of the church and facing Euclid avenue.

Charter night will be celebrated tonight by members of the Upland Lions club and their wives when they gather for dinner at Red Hill Country club. The club is seven years old. Leigh Thompson will be program chairman and the Rev. Herschel R. Griffin will be the speaker.

"Christmas in the Home" will be the subject of an address by Dr. R. C. Stone when the Tenth Street P.-T. A. meets Wednesday in regular session.

Use of Tuberculosis Christmas Seals Is Urged to Aid Cause

PROCLAMATION

WHEREAS, tuberculosis takes more lives between the ages of 5 and 40 than any other disease; and

WHEREAS, tuberculosis costs the tax-payer more than any other disease; and

WHEREAS, tuberculosis can be prevented, and the spread of the germs can be controlled through community educational program and through the discovery and isolation of cases of tuberculos;

THEREFORE, I earnestly urge that every resident of Upland buy and use Christmas Seals this holiday season and support the work of the San Bernardino County Tuberculosis association, actively assisting in tuberculosis education and casework.

Signed:
D. J. CAMERON
Mayor of Upland

Alta Loma Scouts Make Paper Drive To Aid Scout Work

Under the direction of Acting Scoutmaster Claude McKee, Alta Loma troop scouts have completed a paper drive, which resulted in the collection of some two tons of paper.

Proceeds from sale of the paper are to be added to the general fund for support of Boy Scout and Girl Scout activities in the Foothill community. Every month the Alta Loma troop will make a paper drive.

Residents are asked to save their old papers and magazines for donation to the Scouts.

CUCAMONGAN ILL

Mrs. Sarah Foust, 1078 South Archibald avenue, Cucamonga, is a patient at San Antonio Community hospital this week. Suffering an attack of flu, Mrs. Foust is getting along well, it is reported.

P.-T. A. MEETS IN YULETIDE SESSION

Featured by an inspiring address and with elaborate decorations emphasizing the Christmas motif, an interesting session of the Ontario P.-T. A. Council was held Wednesday in the Cucamonga Central school house.

The Central Parent-Teachers association, only recently returned to the Council, was the hostess organization.

Mrs. J. B. Curtis of Ontario, president, opened the meeting at 10 a. m. and Robert Berg, principal of the school, extended a welcome to the guests. He also presented the other teachers, Miss LeVerne Nelson and Miss Dulcie Beecroft.

Roll call was answered by the presidents of the several associations, Mrs. George Eyer responding for the Upland P.-T. A.

As a part of the routine session Mrs. Walter Bernard, motion picture chairman, and Mrs. Minnie Emmons, health chairman, gave account of the work done in their departments. Reports of the recent district meeting also were given.

Musical portion of the program was given by a group of students the boys and girls glee club singing "Silent Night" and "Noel."

The address, a blending of psychology and deep religious thought, was given by the Rev. George West Barrett, rector of St. Mark's Episcopal church in Upland.

Taking as his subject "Active Religious Faith," the rector pointed out that one cannot have an active faith and enjoy the blessings it brings without believing in the things one does. He urged an understanding tolerance and stated the present world crises are causing more people to turn to religion.

Decorations arranged by Mrs. Clarence Beekman attracted much attention. Baskets of red berries were placed throughout the auditorium and on a table before the stage where sprays of white desert sage and red hibiscus arranged about a Madonna.

On the two long tables at which luncheon was served in the cafeteria were mirrored arrangements of three graduated red candles surrounded by white sage and red berry holly. Silver nut cups on red stars were place favors and each person was presented with a "corsage", a tiny white and red yarn doll

Mrs. Buettner was general chairman and her committee included Mesdames Henry Klusman, Jr., Emil Gotta, Carl Brancaccio, Leslie Weaver, Jack Cason and Clarence Beekman.

Present from Upland were Mrs. Eyer, Mrs. T. George Cunning and Mrs. Henry Dybsand.

DR. TITUS A. FRAZEE

Superintendent of the California Temperance Federation, will be the guest speaker at Upland Methodist church Sunday morning at 9:45. Dr. Frazee is an authority on alcohol problems because of his extensive research work as well as his broad experience in one of the largest temperance organizations in the world.

The volume of business handled by farmer cooperative associations in the United States is nearly three times the total of 25 years ago.

CHRISTMAS PLAYS BEING REHEARSED FOR TUESDAY NIGHT

Annual Christmas program of Upland Elementary school, featuring two holiday season plays, "Christmas in Rhyme-Land" and "The Anniversary," is to be presented at 7:30 o'clock next Tuesday evening in the school auditorium.

Rehearsals of the plays have started, with over 130 children participating in their production, and their presentation will mark the culmination of school activity before the holidays.

STORY OF NATIVITY

"The Anniversary" is the story of the Nativity, and was written during the past summer by Miss Lula L. Pickett, first grade teacher. Principal cast of characters for "The Anniversary" includes:

First woman, Barbara Stroh; second woman, Carldine Riggs; scholar, Marvin Winger; first man, Richard Naisbitt; second man, James Evers; serving woman, Sylvia Riggs.

Children playing: Janet Conklin, Darlene Edwards, Dolores Fast, Dereth Hiller, Edith Jeran, Jewell Jury, Gloria Wiley, Dorothy Plumb, Joe Agapay, Dale Buckwalter, John Hamner, Jerry Wagner, and Bobby Wyperd.

Maidens with jars: Ruth Stickney, Bobetta Benton, Melva Jeanne Sisemore, Celia Thompson, Wilma Ready, Margaret Gingerich, Carldine Riggs, Barbara Stroh, and Marva Jean Plumb.

Virgins going to a wedding: Shigako Oda, Betty Jo Jaschke, Marva Schor, Frances Halsey, Lila Jury, Florene Coker, Anita Jo Howland, Estela Martinez, Isabel Aguilar and Barbara Hall.

Boys engaged in competitive sports: Situo Oda, Virgil Books, Clifton Bruce, Jimmie Loch and Tommy Lucero.

Head stableman, Edwin Jones; first stableman, Jimmie Snyder; second stableman, LeRoy Campbell; third stableman, Ronald Brubaker; fourth stableman, Henry Meyer; the old man, Jimmie Cassell; boy, Paul Harmon; father of the boy, Willis Hames.

Shepherds: Aurilio Lopez and Eloy Ortiz.

First wiseman, Gerald Francisco; second wiseman, George Reeder; third wiseman, James Harter.

MOTHER GOOSE YULE

"Christmas in Rhyme-Land," directed by Miss Kathryn Mitchell, instructor in choral music for Upland schools, will be staged by children of the primary grades. Its cast includes:

The old woman who lived in the shoe, Peggy Duque; mother Hubbard, Jane Brown; Bo-Peep, Marilyn Byer; the "Maid All Forlorn," Loretta Edwards; the "Man All Tattered and Torn," James Reynolds; Jack Horner, Damian Duran; Jack, Shirley Price; Jill, Patsy Ruth Norman; Father Christmas, Maurice Goodban.

The children who lived in the shoe: Phyllis Burkholder, Duane Jury, Darrell LaRue, Mary Ann Ryan, Earl Briggs, Nat Hawthorne, Harold Kough, Eddie Lee, Homer Losson, Gordon Nicholson, Marshallie Pruitt, Margaret Harvey, Elmer Allen, Larry Watt, John Wilken, Ronald Wenger, Jack Monroe, Virginia Cherry, Olive McNeil, Patsy Ann Howland, Freddie Hangca, Bobby Goree, Russell Neher, Bob Ryan, Eleanor Cook and Caroline Kay Hogan.

Mother Goose characters who come to the home of the "Old Woman": Marlene Starnes, John Smith, Ann Naisbitt, Jerry Price, Joan Hampton, Dean Blanton, Jean Marie Joy, LaVelle Case, Eleanor Ruth Miller, Roland Sanchez, Barbara Woods, Billy Milliken, Betty Olvey, Kenneth Carter, Harold Rowe, Mary Louise Fenn, Nancy Nicholson, Richard Voth, Sandra Rifkin, Chester Heisey and Wayne Hunter.

Supplying music for both plays, the girls' chorus includes: Virginia Kay, Jean Foreman, Margaret Salzman, Barbara Krebill, Katharyn Rickel, June Gibson, Virginia Beardsley, Margaret Whitten, Joyce Brown, Betty Lou Hayden, Barbara Sue Hayden, Virginia Dunagan, Eunice Byer, Shirley Martinez, Bessie Cline, Terry Grimmesey, Claudine Hunter, Carolina Martinez Irene Inez and Patsy Ann Fast.

School Cafeteria Designs Menus for Active Appetites

School lunch menu for the week of December 8-12, announced by the cafeteria of Upland Elementary school, includes:

MONDAY

Vegetable soup, spaghetti, peas, salad, biscuits, chocolate pudding and milk.

TUESDAY

Vegetable soup, macaroni and cheese, string beans, salad, bread and butter, jello and milk.

WEDNESDAY

Vegetable soup, stew, baked squash, combination salad, corn bread, tapioca pudding and milk.

THURSDAY

Vegetable soup, hamburgers and chili beans, apple pudding and milk.

FRIDAY

Vegetable soup, mashed potatoes and gravy, buttered carrots, cabbage salad, graham bread, ginger bread, and milk.

THREE A'S ELECTS BEATTIE, SHERWOOD

Annual election held by participants in the Triple-A program resulted in the election Wednesday evening of A. C. Beattie, Cucamonga, to be chairman of the Ontario-Upland Community Agricultural Conservation committee for the ensuing year.

Ray R. Sherwood, Upland, was elected vice-chairman to serve with Mr. Beattie, while Clarence Cooper, Cucamonga, was named the third member of the committee. Members elected to serve as alternates were: P. H. Brown, Ontario, and Leon Lucas, Cucamonga.

A good sized gathering attended the meeting which was held in the auditorium of Upland junior high school. Principal speakers of the evening were:

Robert Wilson, state committeeman of San Fernando valley and Arthur Campbell, assistant to H. J. Wilder, San Bernardino county farm advisor.

Air Corps Policy Keeps School Units Intact in Training

Under the new air corps policy of keeping men from various colleges together as a unit during their training, four college units are numbered among Class 42-D at the air corps training detachment at Cal-Aero academy.

The groups include 20 Red Raiders from Texas Tech; 13 men from the Utah State Agricultural college; 12 men from the University of Utah; and 11 from the University of Wyoming.

Lady Gives Guardian Angel Workout on Stop Signs at Night

The lady's name is unknown, but her interpretation of the rules of the road are indeed original if not altogether revolutionary.

Officer Ralph Palmer on patrol Wednesday evening first noticed her when she failed to make the 'stop', not even the slightest hesitation, for Arrow highway. Thinking she might need some reminder or word of caution regarding the observance of traffic laws, he turned after her and brought her to a stop at Ninth street.

STOP BY DAY; GO BY NIGHT

To his amazement he found she not only needed to be cautioned but also to be enlightened. Being a duly licensed car operator who was supposed to have a reasonable knowledge of driving regulations, she informed Officer Palmer that she knew one had to observe the 'Stop' signs during the daytime, but she had always been equally certain that it was all right to go through them at night without stopping. And she was still alive to tell it!

Son of Resort Family Called To Army Duty

Harold A. Nelson Jr., son of Mr. and Mrs. Harold A. Nelson, proprietors of Snow Crest resort near near the head of San Antonio Canyon, has received orders to report for army duty on December 16.

A lieutenant in the army reserve corps, Mr. Nelson is to report at Fort Lewis, Washington, and will be assigned to an armored car division.

Academy Instructors Form Bowling League

With 40 Cal-Aero instructors formed into eight teams, a complete Cal-Aero bowling league has started tournament play once a week.

The Ontario recreation center has been taken over completely each Friday night for the Cal-Aero competition, which will last all winter.

Other groups of instructors, also athletically-minded, have formed badminton teams under the guidance of Capt. L. S. Heral, Cal-Aero stage commander, who is an acomplished badminton expert.

Improper cooking destroys vitamins

Let a CP gas range help you save them

TOO OFTEN, HEALTH-GIVING VITAMINS in meats and vegetables are killed through the wrong kind of cooking. The natural supply of essential minerals, too, is reduced. Vital reasons why more and more homemakers are turning to vitamin-thrifty CP gas cookery!

YOU CAN SAVE both vitamins and minerals, for example, with the controlled-heat oven of a CP (Certified Performance) gas range. You'll serve tempting, juicy meats, roasted with little or no water—and you'll be able to reduce meat shrinkage as much as 20%. Yes, and vegetables not only have more vitamins—they are far more delightful to the palate—cooked the CP "waterless" way.

GET FULL INFORMATION on CP vitamized cooking soon from a DEALER or SOUTHERN COUNTIES GAS CO.

WHAT EVERY WOMAN SHOULD KNOW ABOUT VITAMIN-SAVING

1 Use little water in cooking.
2 Cook vegetables for the shortest possible time.
3 Cover utensils to keep air out.
4 Avoid unnecessary stirring of vegetables.
5 Don't put in baking soda to brighten food colors.
6 Start vegetables in boiling water.
7 Don't throw away vegetable liquids—use them in soups or cream sauces.
8 Keep foods as fresh as possible—use dependable automatic refrigeration.
9 Serve plenty of green vegetables.
10 Serve foods soon after cooking.
11 Broiling is preferable to frying to retain vitamins.
12 Low-temperature roasting saves vitamins, minerals.

THREE OF THE WAYS A CP GAS RANGE WILL HELP YOU SAVE VITAMINS

1 VITAMIN-SAVING BURNERS. Simmer settings make possible the "waterless" cooking of vegetables, recommended by vitamin authorities.

2 VITAMIN-SAVING BROILER. No preheating necessary. Meats retain more vitamin-rich juices, because cold-start broiling enables you to broil the portion nearest the flame, without overcooking the under side.

3 VITAMIN-SAVING OVEN. CP controlled heat enables you to roast meats with minimum of water, and yet avoid drying-out. Low temperature CP roasting also enables you to reduce meat shrinkage as much as 20%.

THERE'S A WORLD OF BEAUTY and convenience, too, in the new Certified Performance gas ranges. Stylish new design, time-saving features such as faster top burners and automatic lighting—plus an operating cost that's two-thirds *less* than the next-best method.

FOR HEALTH PREPAREDNESS Save Vitamins WITH A GAS RANGE

NEWS OF SOCIETY AND CLUBS

MRS. ETHEL THRASH, SOCIETY EDITOR

Upland Club Women to Hear Remarkable Dramatist

When members of the Upland Woman's club hear Walter David and his "invisible company" present the program at the luncheon meeting to be held next Tuesday at the club house, they will be listening to a man as original as many of his characters and more versatile than all of them together.

Because his own mind is so filled with an understanding of human nature, an insight that recognizes the blending of humor and pathos, of laughter and tears, Mr. David is able to partray vividly and distinctly each of the many characters he presents.

The play to be given Tuesday by this one-man cast is the old yet ever new "A Christmas Carol" by Charles Dickens.

Without assistance of any kind, Mr. David will bring each of the 21 characters to life through his unusual dramatization and impersonations.

His programs have won high commendation from prominent club women, from the clergy and from newspaper critics.

Mr. David will be presented by Mrs. J. Emery Sargent, program chairman.

Mrs. Emily J. Austin announced today that Mrs. Ernest O. Lee of Ontario, president of the county federation, will be a special guest and will greet the club women.

This is to be guest day and it is hoped the club members will bring a large number of guests.

Luncheon, or rather a turkey dinner, will be served at 12:30, with Mrs. H. M. Guy's committee in charge.

Reservations must be made by noon Saturday with Mrs. Ada W. Galentine.

* * *

P. E. O. Chapter To Join Reciprocity Group at Once

Chapter DV, P. E. O., is to become a member of the P. E. O. Reciprocity Group of Southern California, as the result of action taken during the regular chapter meeting Monday, and the members are looking forward to making many pleasant contacts with other P. E. O. women throughout the valley.

The meeting was held at the home of Mrs. C. W. Randall, 320 Armsley Square in Ontario, with Mrs. E. K. Pitman being cohostess. The serving of a smartly appointed luncheon provided a pleasant social hour.

Mrs. Charles B. Taylor, chapter president, conducted the meeting and in addition to voting to join the Reciprocity Group, the members heard the various committee reports and gave attention to the routine business.

For the program, Mrs. E. G. Blackert read a paper on "Modern Writers," giving particular attention to poets and their works. By way of illustrating her analyses of the modern trends in poetry, Mrs. Blackert read several poems. Assisting with the program, Mrs. G. E. McQuatters also read a modern poem.

Present for the meeting were Mrs. W. H. Anderson, Mrs. E. G. Chaffee, Mrs. Walter G. Dyer, Mrs. F. W. Jones, Mrs. G. E. McQuatters, Mrs. Ralph M. Myers, Mrs. Charles B. Taylor, Mrs. F. H. Wallihan, Mrs. Verner H. Wilson, Mrs. Abbie Withey, Mrs. E. S. Blackert, Mrs. Pitman and Mrs. Randall; also three visitors, Mrs. S. G. Grow, Mrs. Mary Salyards and Mrs. I. M. Lee.

* * *

Merry-Go-Round Club Members Guests of Mrs. Scholten

Mrs. W. H. Scholten, formerly of Upland, was hostess Wednesday to members of the Merry-Go-Round club, entertaining her guests at her home in Ontario.

A delectable luncheon was served by the hostess at a table made gay with sprays of red berries and a pleasant hour was spent there. The remainder of the afternoon was given over to visiting and playing various games.

Mrs. Scholten's guests were Mrs. Etta Johnston, Mrs. Minnie D. Goodrich, Mrs. William Lettlewood, Mrs. Annie Youngstrom, Mrs. Mary Waterman, Mrs. Mary Eastlack, Mrs. W. B. Sage, Mrs. J. B. Ford and her house guest, Mrs. L. F. Broberg of Cedar Rapids, Iowa, who is here to spend the winter.

Officers Elect of Upland Chapter, Order of Eastern Star, Seated in Impressive Ceremony Tuesday Evening

In a well ordered and impressive ceremony, recently elected officers of Upland chapter, Order of Eastern Star, were installed Tuesday evening during a special meeting held in the Masonic hall, with Anna Scott taking office as worthy matron.

Approximately 250 persons were in attendance, including many visitors from chapters in the area from Los Angeles to Riverside and San Bernardino.

For the special occasion the chapter hall was decorated with an attractive arrangement of lavender chrysanthemmus and white candles.

Lighting of the candles opened the ceremony and Mrs. Anna K. Anderson, as past matron and mistress of ceremonies, related a brief history of the chapter and gave the address of welcome.

It is interesting to note that serving as installing pianist was Irene Moller, daughter of the worthy matron-elect.

Installing marshals were Alta Lawyer and Audrey Wagner, and the installing officers escorted to their places were Nellie K. Wilson, mother matron; Eunice Mitchell, worthy matron; Orton P. Brady, worthy patron; Mabel Robinson, deputy grand matron; Grace Norton, past matron; John Scott, past patron, and Lulu Relph, chaplain.

Presentation of the flag by Earl Dunning, flag bearer, was followed by entrance of the hostesses of 1942 and entrance of the officers-elect, and again a member of Mrs. Scott's family took part in the ceremony, her granddaughter, Nancy Moller, placing the Bible upon the altar.

Mrs. Scott was attired in a gown of white lace, with which she wore an orchid corsage. She also, for the ceremony, carried an arm bouquet of pink rose buds. All other officers elect also wore white evening dresses and carried colonial bouquets of lavender sweet peas.

As the officers-elect entered the hall they formed into a cross before taking their assigned places, the well executed manoeuvre being particularly effective.

Escort of Mary Warmer of Ontario, past grand matron; matrons and patrons of 1511, and past matrons and past patrons of Upland chapter, was followed by prayer and obligation, and a duet, "Star of Bethlehem" (Nolte), by Marian Wells and Dorothy Donnelly.

The ceremony of installation followed, all installing officers being in evening dress.. To John Scott, installing past patron, was given the privilege of installing his wife, the worthy matron.

Two duets were sung during the installation, Dorothy Donnelly and David Donnelly offering "No Love Like Thine" (Sibelius), and Marian Wells and David Donnelly singing "Tell Ye the Tidings" (Nolte).

Officers installed were Anna Scott, worthy matron; Ray C. Norton, worthy patron; Marian Pierce, associate matron; Francis Wagner, associate patron; Anne Deverts, secretary; Josie Creighton, treasurer; Dorothy Garrett, conductress; Frances Gilmore, associate conductress; Alta Lawyer, chaplain; Elizabeth Brown, marshal; Maud Grahame, organist; Grace Norton, warder; Francis B. Harn, sentinel, and Walter H. Andrews, flag bearer; also the five star rays, Itasca Bowman, Adah; Martha Dunning, Ruth; Ruth Goslin, Esther; Bernice Bradfield, Martha, and Violet Campbell, Electa.

Mrs. Scott introduced members of her family, and also presented the hostesses for the coming year, the hostesses being Flora Allen, Marjorie Manley, Audrey Wagner, Eunice Mitchell, Isabelle Wisely, Anna Widmark, Lulu Relph, Alice Parker, Blanche Loch, Eva Long, Pamley Trent, Minnie Standlea, Nelie Settle and Francis Wagner, host for men's night.

A reception was held in the dining hall. Tea was served at a handsomely appointed table, which was graced with an arrangement of lavender sage and large green candles, the matron's colors being used. A huge bouquet of lavender chrysanthemums was placed on the stage.

Presiding at the tea table were Anna Widmark and Sylvia Nichols.

Audrey Wagner and Marian Pierce were in charge of the decorations and Minnie Standlea served as hostess for the evening.

Bridge Club Members Guests at Dinner At Pifer Home

Entertaining members of her bridge club, Mrs. Guy E. Pifer was hostess Wednesday evening at a Christmas dinner party held at her home, 745 Elma, Ontario.

Christmas decorations graced the smartly apointed table at which the dinner was served, and an exchange of Christmas gifts was enjoyed.

The remainder of the evening was spent at the bridge tables, with Mrs. Darwin Brest winning high score prize. The second award went to Mrs. Thomas Thompson, a visitor from Panama, and traveling prize was won by Mrs. Alvin Finn.

Participating in the party were Mrs. Arthur Allen, Mrs. Claude McKee, Mrs. Russell Dinger, Mrs. Howard Paulin, Mrs. Darwin Brest, Mrs. Alvin Finn, Mrs. Ellis Pittenger, Mrs. Thomas Thompson and Mrs. Pifer.

Christmas Observance Planned by Star Auxiliary

Planned as a Christmas party, the December meeting of La Estrella Auxiliary, Order of Eastern Star, will be held next Wednesday at the home of Mrs. Ray C. Norton, 793 North Euclid avenue.

Feature of the business to be conducted by Mrs. Lloyd A. Fox, will be the annual election of officers.

The usual contributed dish luncheon will be served at the noon hour and there will be an exchange of Christmas gifts. Each one is to bring a gift of not more than 25 cents value.

Hostesses for the day will be Mrs. Norton, Mrs. J. V. Parker, Miss Eunice Mitchell and Mrs. John Scott.

* * *

B-Square Club Plans Christmas Party Next Tuesday

Postphoning their meeting for one week, members of the B-Square club will hold a Christmas party next Tuesday afternoon, Mrs. Amy Wing being hostess at her home at 653 West street.

The meeting will be held in the afternoon, as usual, and there will be an exchange of Christmas gifts and other holiday features.

* * *

Red, White and Blue Club in Session

A pleasant party was enjoyed Wednesday by 39 members of the Red, White and Blue club, who met at the home of Mrs. Wilbur Rowland, 941 North Laurel avenue, Ontario.

When the contributed dish dinner was served at the noon hour special courtesies were paid to those having birthday anniversaries within the month, with a birthday cake being cut in their honor. The birthday ladies were Mrs. Porter McAmis, Mrs. R. B. Bigelow, Mrs. P. H. Colling and Mrs. Carrie Hewse.

Announcement was made that the next meeting will be held, according to annual custom, at the home of Mrs. Elizabeth Ensley, 126 West D street, Ontario.

Mrs. P. H. Colling, vice-president, presided in the absence of Mrs. R. L. Bachstein, and a brief business session was held.

The remainder of the afternoon was spent in visiting.

Co-hostesses with Mrs. Rowland were Mrs. P. H. Colling, Mrs. Walter Thomas and Mrs. Emma Hamilton.

* * *

Eastern Star Will Meet on Monday

A regular meeting of the Upland chapter of the Eastern Star will be held Monday night, it was announced today by the new matron, Mrs. John Scott. She will preside for the first time since her installation.

Mrs. Marian Pierce will serve as hostess for the evening.

Pan-Hellenic Women Meet for Tea and See Pictures

As guests at a pre-Christmas tea, members of the Pan-Hellenic society of the Chaffey district were entertained Wednesday evening at the home of Mrs. Willard The hostess committee included E. Baier, 303 Princeton, Ontario. Mrs. Baier, Mrs. Roger Barton, Mrs. William E. Dewar, Mrs. James Freeman and Miss Julia Rugg.

The Christmas motif prevailed in the decorations, the tea table set in the dining room being particularly attractive.

Russet colored ine cones tucked into green, sweet smelling cedar formed the base for a huge bronze colored candle, with the handsome silver tea service increasing the effectiveness of the decorative arrangement.

On the console tables were sprays of pryacantha with orange red berries and the russet colored pittosperum, also green candles in silver holders. Mrs. James Freeman was in charge of the decorations.

Presiding at the tea table were Mrs. Forrest E. Doucette, president, and Mrs. Arthur deBerard.

During a brief business session conducted by Mrs. Doucette, preliminary plans for the annual spring benefit tea were discussed.

Of special interest to the members was the contribution by Mrs. Earle D. Sage, custodian, who read excerpts from the early meetings of the society, which was organized on April 15, 1922.

Presented by Mrs. Sally Ryrie, Gardiner W. Spring, president of Chaffey junior college, showed very excellent colored motion pictures made during a tour in Mexico. He accompanied the pictures with an explanatory lecture and Mrs. Spring added interesting comments.

A number of the pictures showed beautiful scenes of the countryside, others were made in Mexico City, showing many beautiful buildings, and some of the films pictured the life of the Indians. Even a bull fight was included in the pictures.

Present for the meeting were Mrs. Paul R. Daggs, Mrs. Arthur deBerard, Mrs. Hjalmar Anderson, Mrs. Jay Baird, Mrs. Walter Hall, Mrs. Clem Svoboda, Mrs. Arthur Murray, Mrs. Kermit L. Benson, Mrs. Philip White, Mrs. Henry Vallerson, Mrs. Earle D. Sage, Mrs. Sally Ryrie, Miss Katharine Hyde, Mrs. Baier and the guests, Mr. and Mrs. Gardiner W. Spring and Mr. Baier.

Homecoming Courtesy Is Merry Event Last Evening

As a homecoming courtesy for Mrs. Emeline Stauffer, who recently returned from a several weeks visit in Kansas, and Mrs. W. T. Underwood, who returned Monday from a four months stay in Cashmere, near Wenatche, Wash., a group of friends entertained informally last evening at the home of Mrs. Florence Stamm, 563 North First avenue.

A contributed dish dinner was served by the hostesses and after visiting for a time the group of friends enjoyed a bridge tourney.

Christmas decorations were used on the dinner table and the same motif prevailed in the place of favors.

Attending the party were Mrs. Stauffer, Mrs. Underwood, Mrs. Hattie Irvin, Mrs. T. A. Evans, Mrs. Cora L. Wilson, Mrs. Ida Miner and Mrs. H. A. Peters, the latter two of Ontario, and Mrs. Stamm.

* * *

Mrs. Allen Hostess To Interesting Guests

As a courtesy for Canadian friends of her brother, Dr. Avery A. Shaw of Claremont, Mrs. Flora S. Allen entertained at dinner Wednesday evening at her home, 460 North Third avenue.

The guests of honor were Mr. and Mrs. Wm. S. Fraser, formerly of Nova Scotia, Canada, and recently returned from a several years residence in Shanghai, China. Mr. Fraser is superintendent of the Commercial Pacific Cable Co., which has connections with the Postal Telegraph-Telephone Co. in the United States.

Mr. and Mrs. Fraser at one time resided in Hawaii, and while living there they met and became friends of Mrs. Edith Troeller, now making her home in Upland, and Mrs. Troeller was a guest at the dinner. Other guests were Mrs. Allen's brother, Dr. Avery A. Shaw, and her son and daughter-in-law, Mr. and Mrs. Almon Allen of Ontario.

Christmas Party for Firemen's Wives Special Event

Christmas party given annually for the Firemen's Wives by Mrs. Milton F. Huxtable was enjoyed Wednesday at the Huxtable home, 1112 North Euclid avenue.

A very excellent turkey dinner was served at the noon hour by the hostess, who was assisted by her sisters, Mrs. Lillian Manning, who resides with her, and Mrs. Erle B. Smith of Long Beach.

The unique decorative arrangement for the dining table, mostly the handiwork of Mrs. Smith, was so strikingly beautiful that the guests counted it a special privilege to view the scene.

In the center of the long table was a rectangular "patch of snow", cotton encrusted with sparkling crystals. Resting in the center of the cotton base was an immense snowball, upon which were perched two cunning dolls, dressed in silver snow suits with scarlet sashes, and looking very much like snow sprites with their pointed elfin caps.

On each side of the huge ball, down the length of the snow field, were smaller snowballs holding silver candles, and over the snow were scattered silver leaves.

Fashioned over nut cups on diamond-shaped red bases, small replicas of the large snowball served as place favors.

At the conclusion of the dinner hour, the guests gathered at the bridge tables for a lively tourney.

In awarding the prizes Mrs. Huxtable presented equally desirable unwrapped gifts to those making the three highest scores. Mrs. W. C. Cline, high score winner, had first choice; Mrs. J. F. Sawyer, second high, being given second choice. Mrs. Chas. O. Deverts, third high, received the remaining prize.

The other players also were permitted to take their choice of gifts, according to score, but the prizes were wrapped and the selections were made "sight unseen".

The traveling award was won by Mrs. Gordon C. Day.

Mrs. Huxtable's guests were Mrs. Glenn M. Atwood, Mrs. C. K. Francisco, Mrs G. A. Brest, Mrs. Chas. O. Deverts, Mrs. Bert C. Nichols, Mrs. Gordon C. Day, Mrs. Ernest C. Mehl, Mrs. I. J. Linkey, Mrs. W. C. Cline, Mrs. Loring N. Kirk, members of the club, and Mrs. Chas. V. Benson, Mrs. J. F. Sawyer, Mrs. T. M. Nichols, Mrs. Hjalmar Anderson, Mrs. Jesse E. Monroe, Mrs. Manning and Mrs. Smith.

* * *

Auxiliary Unit Holds Christmas Party And Meeting

A merry Christmas party and an interesting business session were combined last evening by the Upland unit of the American Legion Woman's Auxiliary, when 16 members gathered at the home of Mrs. Earl E. Marsh, 1099 West Sixteenth street.

In a setting of gay Christmas decorations, a contributed dish dinner was served early in the evening.

The business session was conducted by the president, Mrs. W. J. Larkin, with several matters being given attention.

Mrs. Jesse E. Monroe gave a report of the large amount of Red Cross articles made by the members.

Plans for the unit's Christmas work included the preparation of gifts for children of deceased World war veterans and the supplying of 12 packages, each containing a handkerchief and a packet of cigarets, for veterans in hospitals. The unit also will provide Christmas courtesies for their adopted veteran, Frank Lutz, who is now in the hospital at Sawtelle.

The Upland unit is to be hostess to the San Bernardino-Riverside Inter-County Council to be held in the Legion club house on Dec. 11, and plans were made for that event.

The business session was followed by the party, with an exchange of gifts being made from a beautifully decorated Christmas tree. The remainder of the evening was spent socially.

Of special interest to the members and other friends was a Christmas box sent by Mrs. LeGrand H. Cortright of Barstow, formerly of Upland. In the box were a beautiful Christmas card and a quantity of desert holly, which was distributed to those present.

Birthdays Celebrated At Family Party In Alhambra

As a joint celebration of the birthday anniversaries of Mrs. Ernest C. Mehl and her sister-in-law, Mrs. James E. Goodban, a party was held Tuesday at the home of Mrs. Joe Frownfelter in Alhambra.

In attendance from Upland, besides Mrs. Mehl and Mrs. Goodban, were Mrs. Ralph H. Marr and Mrs. Frank K. Goodban. Others present were Mrs. P. J. Flagg of Inglewood, Mrs. Harry Chaffee of Compton, an aunt, Mrs. Grant McMasters of Los Angeles, Mrs. Frownfelter and her daughters, the Misses Vera, Margaret and Thelma Frownfelter.

Library Reports Brisk October Book Business

Upland public library report for the month of October was submitted to the city council at its meeting last night, showing a total circulation of 5,353 and a total attendance of 3,454 for the month.

Total receipts of the library for the month were $716.22, which included a item of $20.79 for book fines.

Disbursements for the month amounted to $664.64. This included items of $338.75 for salaries and $198.04 for books.

Car Thief Switches Vehicles in Upland

Abandonment of a stolen car and the stealing of a local car, both occurring about the same hour late Tuesday afternoon, lead Upland police to believe that the thief of the abandoned car, belonging to Ann Stephens, Indio, jjust switched transportation here, helping himself to a car belonging to C. J. Harper, 653 Third avenue.

The Stephens car was found abandoned on Euclid avenue just north of Ninth street, and the Harper car was stolen from its parking place just a block distant near the corner of Ninth street and First avenue. Police learned that the abandoned car had been stolen in Riverside. A radio stolen car broadcast is out on the Harper car.

Council Receives Dump Truck Bids

Bids on the proposed purchase of a city dump truck were opened by the city council last night.

Three bids submitted by Ellery Wright of the Ford garage were for (1) $1,195.98 with Wood hoist; (2) $1,773.64 with St. Paul hoist; (3) $1,723.17 with Anthony hoist.

Two bids submitted by Alan Couch of the Chevrolet garage were for (1) $1,649.55 with Wood hoist; (3) $1,624.16 with St. Paul hoist.

The council deferred decision on acceptance of any bid until its adjourned meeting Monday evening in order to make a further check of the bids.

Mrs. Henderson Gives Christmas Party For Her Club

Because this is the only meeting of the group in December, Mrs. Robert M. Henderson entertained members of the Tuesday Evening Bridge club and other guests at a merry Christmas party given at her home, 765 North Euclid avenue.

Sprays of holly and red candles used liberally provided a setting for a small snow house and for Santa Claus and his reindeer, the attractive arrangement forming a colorful decoration for the buffet in the dining room, where the dessert course was served.

A bridge tourney held the interested attention of the group during the evening, with high score prize being won by Mrs. Eva G. Moore and consolation going to Mrs. Glenn M. Atwood. Mrs. Gordon Nicholson won the guest prize.

Mrs. Nicholson and Mrs. Geo. T. Keyes were guests and the club members in attendance were Mrs. Paul R. Daggs, Mrs. Glenn M. Atwood, Mrs. Eva G. Moore, Mrs. Ernest C. Mehl, Mrs. J. F. Sawyer, Mrs. J. L. Grahame and Mrs. Henderson.

Mrs. Underwood went to Cashmere, near Wenatchee, Wash., with her son-in-law and daughter, Mr. and Mrs. Robert Hall and daughter Rosemary. She enjoyed a boat ride on the Columbia river and motored across country to the Seattle district before returning home. Mr. and Mrs. Hall plan to return later.

Frank Boyles Here For Vacation From Tiny Midway Island

Midway island, a mere dot in the vast Pacific, is a beauty spot, says Frank Boyles, who has returned to Upland for a vacation after spending approximately seven months on the island.

Mr. Boyles is employed by the government in the construction of defense works on the island, which is an important air base.

On the island are 1,700 men and Mr. Boyles says the living conditions are kept as nearly ideal as careful and generous supervision can provide.

He expects to return to Midway island on Jan. 5, and will remain for about a year.

This week end his sons, John Boyles in an army camp at San Luis Obispo, and Harry Boyles with the navy in San Diego, will come here to visit their father.

Dr. Frazee is anauthority on alcohol problems because of his extensive research work as well as his broad experience in one of the largest temperance organizations in the world.

Weather Man Tosses Sponge Into Middle Of Christmas Plans

With temperatures rising and falling like a school girl's blush, this week has fluctuated between winter and summer, with rain and snow thrown in for good measure on Wednesday. During the storm Wednesday evening, several heavy bolts of lightning blew off the lid in this vicinity with heavy repercussion.

Rainfall for Wednesday's storm amounted to .55 inch, which brought the season total to 3.30 inches, as compared with 3.41 inches a year ago. Snow flurried at Snow Crest and Thursday morning Baldy was white with snow, but it did not last long in the warming sunshine the past two days. Weather promises to continue fair.

State Guard Drill Field Is Prepared

Upland State Guard company now has a drill field. City grading equipment and employes have been busy grading up the vacant lot at the northwest corner of Third avenue and A street, which is to be used by the Guard.

Original plans had called for the grading of another lot, but it was felt the space at the location which has been graded would be sufficient. If not, the other lot may be graded later, it was said. Flood lights owned by the city and formerly used to light the ball field in the park, will be used to illuminate the drill field.

Chaffey High School Play Will Be Given In Civic Auditorium

"Chaffey Capers," high school extravaganza of 1941, is slated for presentation Friday evening, Dec. 12, in the civic auditorium at Chaffey. The cast of 200 or more students will appear in feature acts which vary from group dances to individual humorous performances. Miss Gretchen Lizer is in general charge of the event.

Tryouts for the performance have taken place during the past month. A series is ready for appearance, including a gypsy chorus from the advanced girls glee club and mixed chorus, directed by Gilmore Erickson. . The act will feature vocal solos, sparkling gypsy dances, and a violin trio.

Displaying unique costumes, about 20 girls from the physical education classes of Miss Lois St. John, will present a Sioux Indian dance. This number will be a background for the solo dance of Miss Gloria Thomas. Drums and typical Indian music will make the scene realistic.

Another unusual number is the snake dance done by a group of girls in colorful Persian costume. They will accompany Miss Avonne Moore. During the dancing, a music ensemble will provide the musical background of weird Persian tunes.

Under the leadership of student director Clinton Reed, a twenty-minute prelude by the Chaffey band, assisted by members of the theatre orchestra, will start the performance, which is open to the public as well as included on the student body ticket.

The lizard's tail separates from his body easily and without loss of blood. Even fright is enough to cause it to detach itself.

Strieby Stores Are Open for Business

After being temorary closed, the Strieby stores are open today. The Strieby's Men's store is located at 251 Second avenue and the dress shop is at 167 East Ninth street.

Mrs. Clara D. Strieby, present proprietor of the stores, is confined at the San Antonio Community hospital but she arranged for the stores to be opened on Wednesday.

Upland Teachers on Trip to Observatory

Yale observatory on Mt. Palomar was one of the interesting places visited Saturday by Upland teachers who went on the teachers' institute trip.

Site of the installation of the famed world's largest telescopic refracting lens, the observatory is still in the course of construction, and the teachers had a chance to see the work being done. In the course of their visit they were all given a "merry-go-round' ride on the great revolving dome of the observatory.

Elementary teachers who made the trip were: Miss Jessie Brown, principal; Miss Florence Tarleton, Mrs. Anna Case, Miss Margaret Norman Miss Jewel Ely, Florence Armstrong, and Mrs. Esther Kremer.

AND HE IS EAGER TO SERVE YOU

MAC THE MEDICINE MAN...SAYS:

"Rain is no wrinkler of the forehead to Us Guys charitably known as business men of Upland. Had J. Pluvius opened up and given us "The Works" we would have cheered lustily. And Saturday, if our Christmas Opening will bring down moisture precipitation enough to save the ranchers the trouble and expense of irrigating then the Jingle Bells and wassail bowls—unattended because of rain—will have served their purpose and we'll hold another later on."

Everybody likes a word of good cheer and perhaps a pat on the back. Sam Rowe and Paul Hottell and the other boys have done their stuff nobly.

Good Old Sam—the guy in the Hot Seat—had to make up his mind in a hurry whether he'd take a chance on Saturday night or call off the show. He called it off. He was right. He's right a good share of the time.

The tough angle this year was to GET THE GOODS. Last Spring when we were advised by those who knew to order then and generously of every line we wished—we threw dull care to the winds and Mac and His Trusty Crew "Went to Town". We tried to visualize the biggest Christmas business of our history. With enthusiasm we just naturally bought the things we knew would sell on sight. We bought them when stocks were full and at prices that were RIGHT THEN and are surely VERY ATTRACTIVE NOW.

WE HAVE THE GOODS YOU WANT

You Can Prove Our Words by Taking a Look!

Beyond that we thought our stocks of very desirable merchandise was big enough—our prices low enough—that everybody should have the opportunity to see everything without squinting or squatting, so we have installed the newest fluorescent light system in and out. THE HOUSE THAT MAC BUILT is bright and cheerful. We enjoy it, and so will you.

Back from the days of Mac and His Two Little Sisters our pride and joy was—and still is—the carefully selected exhibition of Christmas Cards—from the finest artists and producers available in the U. S. A.

From Dolls and Cuddly Animals and Games for the Children on up the years to the extra-acceptable gifts for Men and Women (of both sexes) we offer you the fruits of our experience, skill and careful judgment.

See MAC'S "Short—Short" on Page 7 for the Breezy Best Buys for Tomorrow.

We ordered 5,000 REXALL WEATHER CHART CALENDARS for 1942. We got but 2,500.

They are here for you now. Sometimes they beat us to the punch, but usually we say: "Wont you have one of our new, hand-painted and electrically illuminated calendars. They are not pretty but they are practical. We've been putting out this same homely old Calendars now for over 25 years, and people tell us they couldn't keep house without them."
Come in and meet our friend Ed. Am I tickled to have him. MAC SAYS—

CHEERFULLY YOURS.

MAC the Medicine Man

"MESSIAH" TO BE PRESENTED SUNDAY

Soloists in the annual offering of the Upland Oratorio society to be presented in the First Mennonite church Sunday afternoon at 4 o'clock, were announced today. They are Miss Bette Boggs of San Bernardino, soprano; Mrs. Raymond G. Niesley and Miss Margaret Harms, alto; Francis Wilson, tenor, and Reginald Taylor, the latter of Ontario, bass.

Organist will be Miss Pauline Jacobs, and pianist, Miss Helen Hendrickson.

Handel's "Messiah" will be sung by a chorus of approximately 65 voices, many of them the best in this and neighboring communities.

The large chorus has been ably trained by Raymond G. Niesley, director, and an excellent presentation is expected.

The sacred concert is presented for the pleasure of the public and all persons who enjoy the singing of the beautiful oratorio are invited to attend.

A silver offering will be made.

FINAL REHEARSAL

Director Niesley has called a final rehearsal for Saturday evening at 7:30 and he requests all members of the choir to be present.

There's No Place Like Home, Topic Of Chaffey Talk

Expressing the thought that the fundamental principles of home life should and do remain the same, even though ideas and customs change, Mrs. O. H. King of Pomona spoke to parents of the West End, Thursday morning, when she delivered another in the series of lectures she is giving under the auspices of Chaffey and the Ontario P. T. A. council.

Mrs. King's subject was "There's No Place Like Home." She spoke of the home of yesteryears and of the modern home and stated that "the family picture is a morning picture, with continual social changes. But notwithstanding the ever-changing aspects of family life, she said, there still is "no place like home."

Mrs. King's next lecture will be given as usual in room 59 in the junior college building, on Thursday, Dec. 11, beginning at 9:30. She will speak on "Facts and Figures from Your Children" and will discuss the questionnaires recently distributed among the Chaffey students.

Driver Cleared in Accidental Death Of Mrs. DeGregorio

Accidental death was the verdict of the coroners jury which fixed no blame in the case of Mrs. Margaret DeGregorio, Cucamonga, who was killed instantly Sunday evening when struck by the car of Glenn O. Thompson, Costa Mesa, as she crossed Foothill boulevard at Archibald avenue.

E. P. Doyle, deputy county coroner presided over the inquest jury, which deliberated the case at considerable length, meeting at the J. B. Draper company mortuary in Ontario.

Funeral services were held yesterday morning for Mrs. DeGregorio at St. George's Catholic church, with entombment at Bellevue mausoleum.

Bowcatcher Playsuit

BOWCATCHER is the amusing name of this striking three-piece playsuit worn by CBS songstress Louise Tobin of the "Hi Neighbor" show. Of brown hand blocked linen finished rayon, with huge triple bows of orange and white, it is styled to give a slimming effect. (Designed by Lou Van Roy for Joseph Sukin).

At The Churches

All of jack pot if person has two or more stores with total purchases over $1.00.

$1 if person selected has no sales slip.

Saturday Is Dividend Day!

A QUESTION IN EVERY ADV.

You will note that in each space is an easy-to-answer question. To qualify for the Dividend Day award, you must answer the questions listed by the firms from which you have saleslips.

For Example—If you have a sales slip from Blank Co., you must write the answer to the Blank Co. question on the sales slip and have it ready for presentation to the Merchants' Messenger by 6 p. m. Monday.

If you are not going to be home Monday between 6 and 7 p. m., leave your sales slips posted near your front door.

Every adult in Upland, Alta Loma, Cucamonga and Etiwanda is eligible to participate in the Upland Merchants' Dividend Day. A directory has been especially compiled to include every house address in these communities.

Receipts of payments on account for purchases since March 1 are not eligible for use as sales slips.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment cannot be eligible for use on dividend day.

READ THE ADVS. AND WRITE ANSWERS TO THE QUESTIONS LISTED BY THE FIRMS FROM WHICH YOU OBTAIN SALES SLIPS.

AFFIX OWN STAMPS IS POSTOFFICE PLEA

"Help your rural postman speed your holiday mail,' is the urgent appeal of Postmaster Orton P. Brady to rural box patrons.

All first and third class mail matter deposited in rural letter boxes for collection by the carrier should have stamps affixed at the proper rate of postage, Mr. Brady advised. This, he pointed out, will facilitate the collection and dispatch of mail matter on rural routes, particularly during the impending holiday season.

When money is left with large packets of Christmas greeting letters and cards for the postman to buy the stamps and affix them, the mails are materially slowed down, Mr. Brady declared. If each patron will cooperate to the extent of doing his own stamp licking neither mail sent by him or to him wil be delayed, Mr. Brady said.

To assist patrons as much as possible, rural carriers are provided with a stamp supply ample to accomplish this objective.

D. R. FOSS, Secretary. 60-3

TALKS ON ORIENT HEARD AT CHURCH

Attention of the Presbyterian women were focused on the Orient Thursday when two speakers were presented during the all day meeting held by the Presbyterian Women's association at the church.

The regular meeting was preceded by an executive board session conducted by the president, Mrs. Herbert S. Bailey. It was decided to purchase 100 new hymnals for the young people.

The board also made plans for the benefit tea to be held on Dec. 11 at the home of Mrs. F. W. Palmer under the sponsorship of Mrs. Geo. T. Keyes' group.

Speaking during the 11 o'clock general session, Mrs. George Lerrigo of Claremont and a long-time friend of Mrs. Bailey, told an interesting story of Christmas observance in China.

When she first went to China in 1909 there was no observance of Christmas in that country, but with the spread of Christianity the custom grew and she told of Chinese girls singing Christmas carols beneath the mission windows.

HOMES FOR BLIND

Mrs. Lerrigo also told of the establishing of the True Light and the Bright Heart mission homes for blind Chinese girls. The girls are educated and taught various handicrafts in the home school.

The speaker told a thrilling story of the stand made by Alice Carpenter, head of the Bright Heart mission, as she held threatening Japanese outside the gate with her gun.

Luncheon was served during the noon hour by Mrs. Geo. T. Keyes' group.

Opening the afternoon program the senior chorus of Chaffey high school girls, directed by Gilmore Erickson, sang a number of selections, mostly Christmas songs. The devotional service was conducted by Mrs. Elizabeth Moore.

SPEAKER PRESENTED

Presented by Mrs. Don Palmer, Dr. P. H. J. Lerrigo of Claremont, and for many years a medical missionary, told of his work among the Eskimos in Alaska, where he spent two years, and among the Filipinos in the Philippines, where he spent approximately 40 years.

He sketched briefly the struggle of the Filipinos against Spanish oppression and told of their rapid development under the protection of the United States. They now have many schools, churches and hospitals and are adopting the English language and American culture. They are a self-respecting people, Dr. Lerrigo stated, and are eager for progress and are quick to learn.

Dr. Lerrigo spiced his address with bits of humor and the information he gave was of more than ordinary interest.

Attracting much attention was a Madonna in a specially arranged niche, placed in the entrance to the hall by Mrs. Ernest W. Fischer. All who entered paused to enjoy the beautiful reminder of Christmas day.

BIRTHS

A daughter was born to Mr. and Mrs. C. H. Coffman, 171 Baker avenue, Ontario, Tuesday evening, December 2, her birth occurring at San Antonio Community hospital.

Mr. and Mrs. Franklin Chaffee, 514 Sierra court, Ontario, welcomed the birth of a daughter on Wednesday morning, December 3, at San Antonio Community hospital.

Mr. and Mrs. G. V. Minnis, 403 Granada court, Ontario, are the parents of a daughter, whose birth occurred this morning, December 5, at San Antonio Community hospital.

WINGS OF YOUTH

Here in a Canadian factory, final touches are being given to wings which will be part of the planes in which the youth of the British Empire are learning to fly. Greatest of all flying schools in the world, the British Commonwealth Air Training Plan now has 124 schools and establishments operating and is producing pilots, observers and ground forces at a rate far exceeding the original schedule. About 600 American pilots are serving as instructors and about eight per cent of the pupils come from the U. S. A. The cost of the plan in the first three years of its operation will approximate $824,000,000, of which Canada will supply $531,000,000.

PAUL ROBESON IN BRILLIANT PROGRAM

Paul Robeson, great as a singer, great in winning his audience, and great in stature, gave a large audience in the Chaffey auditorium a great thrill last night.

The mighty singer, whose rich baritone voice is among the best known in the nation, brilliantly opened the Chaffey civic concert series. His scheduled program did not provide nearly enough numbers to satisfy the enthusiastic audience. Again and again the distinguished singer and actor was called back for encores. He freely acknowledged the applause by responding with additional selections, all of which were wholeheartedly received.

A thrilling incident came when the Chaffey a cappella choir joined with Artist Robeson in singing "Ballad for America", a stirring patriotic cantata. In costume depicting people in all walks of American democratic life, the choir, the soloist, and narrators summed up the highlights of American history in a vivid and unusual portrayal.

A very popular feature were numbers on the seldom heard instrument, theremin, played by the talented Clara Rockmore. This unique instrument when being played is not touched by the performer. The beautiful tones, similar to those of a string instrument, were produced when Miss Rockmore entered an electro-magnetic field that is developed about the instrument. The pitch and volume are controlled by the movement of the hands in relation to the instrument.

An actor and a public speaker, Mr. Robeson spoke briefly about most of the selections just before singing them. And as a concluding gesture, he commended the Chaffey choir for its brilliant performance. He also referred to the fact that in the audience was Clarence S. Beekman of Cucamonga, a former high school classmate of Summerville, N. J.

Townsend Club No. 1 Meets Next Tuesday

Memers of Upland Townsend club No. 1 will hold a regular meeting next Tuesday evening in the Upland Legion club house on North Second avenue.

The session will begin at 7:30, with the regular business being transacted and news from Townsend headquarters discussed.

The meeting will be open to the public and all interested persons are invited to attend.

Final Service Held For Mrs. Landes in Mennonite Church

Funeral service for Mrs. John Landes, who passed away Sunday morning at her home on North Eighth avenue, was held Thursday afternoon at the First Mennonite church, of which she was a member.

The pastor, the Rev. Earl Salzman, conducted the service, with the Rev. C. R. Heisey, pastor of the Brethren in Christ church, assisting.

Accompanied by Mrs. Edna Harms, pianist, a quartet composed of Mrs. A. K. Toews, Mrs. Emilie Roeben, Mrs. Bertha Ledig and Mrs. C. U. Widmer, sang two German songs and one English song. The selections were "Wo Findet Die Sele Die Heimat Die Ruh", "Befiehl du Deine Wege',, and "Nearer My God to Thee".

A large number of friends gathered for the service and members of the Woman's Missionary society, in which Mrs. Landes was an active worker, attended in a body.

Pallbearers were A. K. Toews, John Rahn, H. H. Reimer, S. D. Schertz, W. F. Dettweiler and Calvin Niswander.

Interment occurred in Bellevue cemetery. The Stone funeral home was in charge of arrangements.

Mrs. Landes, who was held in high esteem and affection by many friends, was born in Waldemannhofen, county of Mergenthiem, Germany. She and Mr. Landes were married in Giebelstadt 50 years and six months ago. For 25 years they lived in Richenberg and then for a few years in Wurzburg, coming from there to Cucamonga 33 years ago, and to Upland six years later.

SERVICE BOARD CLEARS RECORDS

(Continued from Page 1)

yesterday afternoon, with questionnaires filled out, examinations made and classification determined in a record space of time.

EVERYBODY HAPPY

It all turned out with the local board's faith in human nature and its tolerance justified, and with another registrant satisfactorily accounted for. It also turned out that the young man rated deferred classification, as he was married and had a family, so the adjustment gave him clearance to accept a much better paying job with the aircraft company.

Last evening, Mr. Rhenstrom beamed with satisfaction as a certain young man hastened out of office into the gathering dusk on his belated way to a nearby restaurant to catch up with the needs of the inner man after a day's duty well done.
